

HEDKIKR - off Ramp

complex compositions insane improvisations

Darren Moore (Drums) Lindsay Vickery (Reeds)
8-9pm Thursday January 30 2003
Luxe Bar 446 Beaufort St Mt Lawley

Don't miss what might be HEDKIKR's only Perth gig of the year - following their recent US tour.

*(HEDKIKR's) two sets DEFINITELY rocked me. No Goofer!
Definitely some of the best jazz that has hit the Capital region in some time, and that video? WIL!*
