divining

Divining is an experimental work searching for the meeting point of performance, dance, design, light and sound. Discarding the traditional technique of applying design and lighting after a piece has been choreographed, the visual and movement components of **Divining** draw their cues from each other - a truly multi-layered approach, drawing upon the strengths of either medium. **Divining** promises to be a rich visual tapestry and a banquet for all the senses.

Choreography & Design Chrissie Parrott, Efterpi Soropos
Music Cat Hope (Live), Jonathon Mustard, Lindsay Vickery

tuesday 17 - saturday 21 june, 7.30pm

court theatre, WAAPA / tickets \$15.40/\$11.00
