

BIO DIS†URBIA

concert ECU Music Auditorium 1.10-2pm August 03.08.99

DIS†URBIA [Danielle Micich, Petro Vouris and Lindsay Vickery] gave its debut performance at Club Zho in June 1999. The group blends hypnotic repetitive structures with elements of narrative and a live performance focus on a dancer. The dancer creates sounds through movement via a movement-sensitive electronic jump-suit - the MIBURI.
