I'm Attending Maybe No

Time Sunday, September 26, 2010 · 11:00am – 3:00pm

Location The Third
Upstairs at 76 King Street
Perth, Australia

Created By Camryn Rothenbury, Nic Brunson, Disc Snap

More Info THE THIRD (a brand new exhibition and studio space) in collaboration with DISC SNAP, GRAVE NEW WORLD & THE SPRING PRESS present the first (and possibly last) West Coast performance from American born New Zealander JEFF BURCH (guitarist from Songs, director of the Spring Press, etc, etc), playing as a trio with Steve Uren (Songs) on percussion and Lindsay Vickery on saxophone.

Join us for a Sunday Matinée starting at 11am as Jeff is joined by local masterminds Craig McElhinney and Chris Cobilis.

There will also be an ETHERIC HYMNS pop up shop stocking all of the Spring Press, Meupe, Grave New World & Disc Snap catalogs, as well as a delightful selection of other curatorial treats.

\$3.00 beers + BYO.

Jeff Burch's music for shadows : vlomo09 day8
gdata.youtube.com

after a while listening to Jeff Burch's set, I became transfixed on the shadows on the screen – it seemed as if there were multiple versions of him playing. the digital noise video background projected onto the 'real' Burch, so at times he seemed like a projection also – which was the real person pl...
